

FGM salutes top '92-'93 students

F.G. Miller High School's highest achievers from the 1992-93 school year were rewarded for their accomplishments Friday night at the school's annual Awards Night ceremonies, emceed by Dorothea Naber.

Graduate Suzanne Rae was the evening's most distinguished winner, collecting no less than eleven awards, starting out with a Grade 12 Academic Award presented by Pan Canadian Petroleum. She also won the Governor General's Bronze Medal for the highest academic standing in the Grade 12 class, plus a quartet of plaques from the Canadian Salt Company for the highest marks in the Departmental Examinations for English 30, Math 30, Social Studies 30 and Physics 30. She went on to win a \$100 award from the County of St. Paul No. 19 for the High Academic Standings, a three year Rutherford Scholarship valued at \$1500, and the \$100 Kates Memorial Award. Miss Rae was co-winner, with Callie Baumgardner and Denis Jasinsky, of the scholarships awarded each year by the Graduating Class, and, again with Miss Baumgardner, of the two Pan Canadian Petroleum scholarships, valued at \$700 each.

Miss Baumgardner also received the Brailsford Memorial Music Award from St. George's

Masonic Lodge, a two-year Rutherford Scholarship and a Grade 12 Academic Honors plaque.

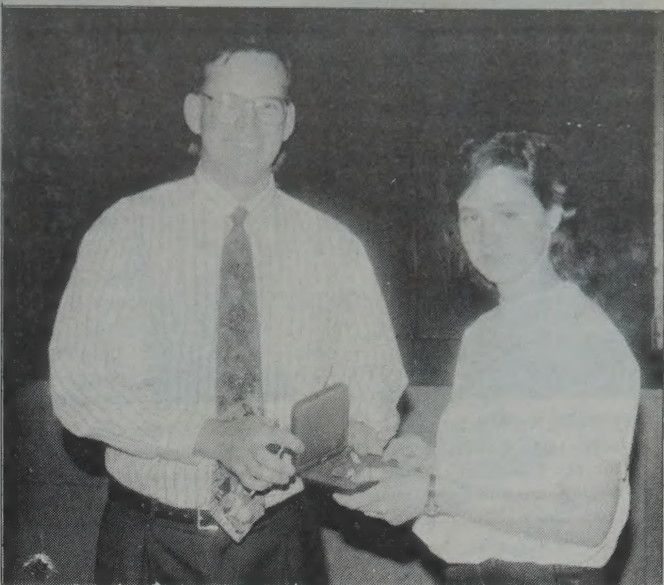

The Best All-Around Student award, given annually by Dr. K. C. Miller to the student who contributes the most to the school, with academic standing, sports proficiency and general attitude considered, went to Amy Hawkins. Miss Hawkins, along with three other students, was representing the school and zone at the Provincial High School Golf Tournament, and was represented at the awards by her mother, Sheila Thompson.

Brian Makowecki was the recipient of two major awards, the Elmer Bjornstad award of a \$1000 scholarship from the BPO Elks Lodge, and a \$500 scholarship from E-Can Oilfield Services Social Club.

The Vogel Achievement Award, which annually honors a student who has shown the greatest improvement in general attitude and academic standing, went to Daniel Peterson.

Two students won Citizenship Awards, presented by Dr. Jonathan Adams on the basis of community involvement. This year's winners were Dorothea Naber and Candace Ference.

Elk Point gets the information

Whatever you wanted to know about Elk Point, but didn't know who or where to ask, you could find out at Elk Point Community Services' 9th Annual Information Night, Thursday, September 23.

Almost fifty clubs, groups and agencies from Elk Point and surrounding areas filled the Elks Hall with booths offering information on their programs for the coming year. Close to 400 people attended the evening and the organizers are well pleased with the response to the new location.

Agencies such as Community Services, Elk Point Child Care, St. Paul - Smoky Lake Community Futures, AADAC, the Career Development Centre and the Community School Counsellor were interspersed with the numerous service clubs, sport groups and special interest groups. Lakeland Radio Club demonstrated their 'ham' radio systems, Lakeland College dressed their employees in sandwich boards listing courses, Happy Trails Wagon Train showed a video of this year's journey, and the Comets Soccer Team offered face painting for the youngsters.

A huge display from Elk Point Further Education filled the stage, with several instructors demonstrating the skills they will be teaching later this fall. Millie Orr was rejuvenating a sneaker, Ruby Hannah was making stained glass suncatchers and Sharon Kuhn was constructing a paper mache Santa while Verona Lea Flanders offered information on the numerous other courses and collected registrations.

A number of groups used Information Night as an opportunity to register participants for the coming season, including Brownies and Guides, the Scouting Association, Friends of the Forts and Karate Do. Others were fundraising, including UNICEF and the F.G. Miller Senior Class, who are raising money for a trip to Europe.

Pre-election forum scheduled

Elk Point Chamber of Commerce will be hosting an All-Candidates Pre-Election Forum prior to the upcoming Federal election.

Candidates of all four political parties represented in the Beaver River riding have been invited to attend the event, scheduled for Friday, October 15 at 7:30 p.m. in the Elk Point Seniors' Recreation Centre.

WORMSWORTH MAKES A BIG IMPRESSION - Alberta Community Development's 7-foot tall bookworm, Wormsworth, visited Elk Point last Tuesday. He spent the noon hour at Elk Point Elementary School, visiting classrooms and signing autographs. He is shown here with an excited group of ECS students. Later in the day, our large friend appeared at the Community Services 9th Annual Information Night, where eager children lined up to take a turn around the hall as part of his 50-foot-long tail. Wormsworth is touring the province to promote literacy, and is sponsored by the government's Library Services department and Save-On Foods.

CHOIR NOW ON CASSETTE - Elk Point's very popular Community Choir is now available on cassette tape. Conductor Don Bury presents a copy of their inaugural recording to Mayor Ed Buck, for the Elk Point Public Library. With Bury are fellow choir members Brenda Bintz, Doreen Younghans and Don Conrad.

FUR TRADE FLAVOR - Elk Point Community Choir has included "The Voyageur's Song," written by Rob Holliday (left) on their first cassette. Don Bury presented copies of the tape to Holliday and to Jeanne May of Friends of the Forts. Tapes are now available at several Elk Point businesses, including the Elk Point Review and Home Town Grocers.

Skating club glides into 20th year

The Elk Point Skating Club will be celebrating its 20th Anniversary this year and plans are underway to insure that it is another successful and fun year for all members.

Registration for new and returning skaters will be held on October 2 from 10 a.m. to 2 p.m. at the A.G. Ross Arena. The fees collected will go toward coach fees, ice usage fees, and the mandatory C.F.S.A. membership for each skater. The Ag Society membership fee of \$1 per adult is to be paid in addition to the skating registration fee.

The fee schedule is as follows:

- TOTS - \$50
- CANSKATE - \$90
- CANFIGURE - \$105
- CFSA - \$165
- PRECISION ONLY - \$65

PRECISION (in addition to another program) - \$50.

All fees are to be paid to the Elk Point Skating Club and may be paid in full at the time of registration or a cheque for one half may be paid at registration along with a post-dated cheque for November for the remaining balance. All skaters registered on October 2 will be eligible for a draw for a book entitled "Brian Orser - A Skater's Life."

The club has a very capable coaching staff for the upcoming year. Canskate, Canfigure and Precision lessons will be done by Shauna Loughran and Leanne Wozniak, while CFSA lessons will be given by Shauna Loughran and Sandra Lindenback. Charlene Anderson is also working toward completing her NCCP coach

accreditation. Jackie Whiffen-Peters is coordinating the CS-CFS amateur coach program. This dedicated group of young skaters help our Monday and Friday lessons run smoothly and effectively by taking groups of skaters for warm-ups, games and extra help with skating skills.

While it was necessary to raise the fees this year, the club tried to keep the increase to the lowest level possible, with fundraising the club does helping to offset some of the costs. Plans are already underway in this area. The Easter chocolate sales have proven popular and we will be doing this again as well as other activities. By working together as a club and with the newly formed Arena Operating Committee we will see our young skaters cele-

brate many more anniversaries in our arena.

Beautiful Stoney Lake

By John Drobot

This scenic country in days that are gone
Had trails that led you hither and yon;
And many a well-worn trail was trod
Till deep ruts were cut in the sod.

Those trails are ancient history now
But they are not forgotten somehow.
It's a long, long slope that curves until
You know you are descending Stoney Hill.

The Hill now streamlined to follow the mode
As tourists go speeding where Indians rode.
No more a cow trail, but a road that will last;
Present-day traffic is heavy and fast.

Descending the hill, you come into view
Of beautiful Stoney Lake all covered with dew,
And the majestic spruce, mighty and tall--
Truly a sight remembered by all.

I like the view from a plane in the air,
Or even the view from just standing up there.
Just about sunrise, the morn is so still,
Oh Lord, let me view from Stoney Lake Hill.

Further Ed news

October is just chock-full of upcoming courses. Whether you're interested in crafts, exercise or first aid, we have just what you need!

The month starts off with **CPR Recertification** October 4 at Ferguson Flats.

October 4 is also the first session of **Twisted Paper Fruits and Vegetables** with the second session October 18.

'**Stained Glass**' Quilting is a one evening session on October 6, at which you will make a floral wall hanging with machine zigzag and freezer paper!

October 7 is another single session evening in which dried materials and scented oil are used for **Making Pot-pourri**.

Join us for a whole day on **Tuesday, October 12 for Denim Recycling**, 9 a.m. to 3 p.m. Bring your sewing machine and some old jeans and create some interesting projects.

October 13 is another look at recycling, this time turning a man's suit jacket into an attractive article of ladies' wear in the one evening **Super Suit Jackets** session.

Save some more money on October 14, when you make your old sneakers look like new at the **Shoe Renew** course.

Emergency First Aid is presented in two sessions, October 18 and 25.

October 18 is also the starting date for both **Aerobics**, 7 to 8 p.m. and **Adult Exercise**, 8 to 9 p.m., both of which run Mondays and Wednesdays until December 8.

An old time craft is rejuvenated October 19 when you will learn to make **Corn Husk Dolls** in a one evening session.

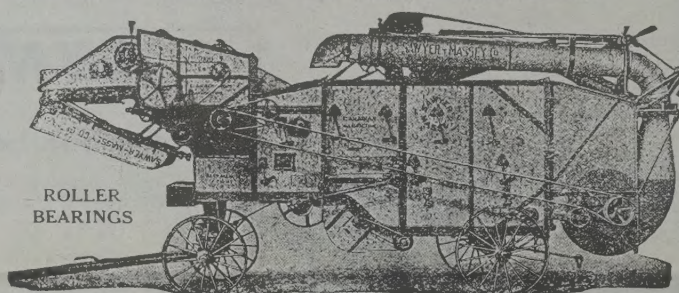

Brighten up your windows with '**Stained Glass**' - Window Colouring either 'Gallery Glass' or 'Window Color' to create something uniquely your own in two sessions, October 20 and 27.

WHAT'S NEWS AT THE LIBRARY?

Wormsworth, the seven foot book worm was a big hit in Elk Point on Tuesday, September 21. He visited the Elementary School around the children's lunch hour. He signed autographs, shook hands and gave hugs to the children. He also went into the kindergarten class where he met some very excited children. In the evening, he went to the Town's Information Night where there was no problem in having the children join him for a walk around the room. We had two draws for the evening, a book

draw and a draw for a toy Wormsworth. The winner for the book was Gillian Cousins and the winner for the toy Wormsworth was Jordan Cousins. It turned out to be a family affair in winning the prizes. We would also at this time like to thank the sponsors, Save-On Foods and Alberta Community Development, Libraries Branch for allowing Wormsworth to come to our community.

Don't forget to mark your calendar for the Elk Point Public Library Pie Sale to be held at the Co-op Store Oc-

tober 8 between the hours of 12:00 noon and 3:00 p.m., or as long as the pies last. Interested persons who would like to bake a pie for this event can come into the library and pick up an empty pie plate. For further details please contact Diane Fraess at 724-3737. Thank you.

We would like to thank Mike O'Neill for his collection of autographed pictures that he has on display in our display cases. If anyone is interested in displaying a collection or hobbies, please contact the library as we would appreciate having you using our

display cases.

The Friends of the Elk Point Public Library will be having a General Meeting for the election of officers, Tuesday, September 28 at 7:00 p.m. at the library. We would like to see all Friends of the Library members there. For further information on the meeting, please contact Diane Fraess at 724-3737. Thank you. Be seeing you there!!

New Books

We have several new children's classics in our library now, including the titles... **The Emperor's Nightingale, Puss in Boots, Sleeping Beauty, The Old Sandman, The Brave Little Tailor, and Ricky the Tuft.** In the Discovery World 'First Steps to Science' series

we have the following books... **Animal Habitats, Your Body, Animal Talk, Wind, The Sun, Life Cycles and What Plants Need.** We have an exciting new series called 'First Look' that includes the titles... **Under The Ground, The Airport, The Forest, Day and Night and Cars.** Another interesting series is 'The Food We Eat'... **Meat, Vegetables, Sugar, Potatoes and Beans and Peas.**

THANK YOU

I would like to thank everyone for their support. Without your donations, I could not have done it. Special thanks to my family for being so generous. Thanks.

Peggy Maas

TEAM EFFORT RESULTS IN TOP NOTCH DIAMOND - Combined efforts of Elk Point Royal Canadian Legion, Elk Point Elementary School Support Council, Pan Canadian Petroleum and Elk Point Minor Ball have turned the much-used diamond adjacent to Elk Point Community Services Centre into a top-notch facility. The backstop was donated by the Legion and installed by Elk Point Minor Ball. Shale for the diamond was donated by the Support Council and installed by Pan Canadian. Representatives of all four groups - (left to right) Legion President Louis Verhagen, Support Council President Donna Bassett, PanCanadian employee Anthony Peters and Minor Ball Secretary-Treasurer Allan Frankiw - are proud of the results, and thanks are extended to all the volunteers and groups who helped to make the dream of a top quality diamond in town become a reality.
